BOOK SYNOPSIS

"Learn About the United States: Quick Civics Lessons for the New Naturalization Test" was written by the United States Citizenship and Immigration Services (USCIS) to accompany their 100 civics citizenship questions. It is intended to give Permanent Residents a deeper understanding of U.S. history and government as they prepare to become citizens. There is a short written lesson with each of the 100 questions. This text, reformatted for improved readability, will interest immigrants who are preparing to naturalize--or anyone interested in learning more about the history and culture of the United States. Reading these "mini-lessons" about U.S. history and government, will make the journey toward citizenship more meaningful. This book is nicely re-formatted for improved ease-of-reading and clarity. Highly recommended.
